Helps avoid collisions, promotes safe driving and provides evidence in the event of an accident.

Receive a BONUS Driver Safety Kit

Includes a first aid kit, car power bank and charger, fire extinguisher, roadside electronic flare kit and more!

Exterior Surface Protection

HYDRO Paint Surface Coating.

HYDRO exterior surface coating is engineered for durability and protection, creating a barrier against UV damage and staining from the elements. This coating helps to retain a high gloss finish of your paintwork and contains self-cleaning properties, meaning your vehicle stays looking cleaner for longer, allowing you more time to do the things you love!

A once-off application, for a lifetime* of protection, to preserve and protect the paintwork, as well as the re-sale value of your vehicle.

Key Features

Made from a high performing formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), delivering extreme durability, hardness and a permanent super gloss finish.

As the most durable protective product on the market, HYDRO Paint Surface Coating is 4 times harder than quartz based protectors. Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Benefits

- The key components deliver extreme durability, hardness and a super gloss finish.
- Incredible repellence to water, sheeting and rolling off the surface taking dirt and grime with it, and reducing calcified water marks and spotting.
- Significantly reduces maintenance, looking cleaner for longer.
- Protects your paint against the damage caused by bird and bat droppings, as well as damage caused by:
 - » sunscreen
 - » fallen leaves
 - » bore water
 - » bug splatter
 - » tree sap
 - » rail dust
 - » weather induced oxidisation
- The once-off application adds permanent protection, eliminating the need to wax and polish.
- Helps preserve your vehicle's re-sale value.
- Comes with a nationwide lifetime warranty*.

Extra Thickness. Enhanced Protection.

HYDRO adds an extra, tougher layer on top of the vehicle's factory clear coat.

Once applied, this permanent coating creates a hydrophobic surface so water sheets off, taking dirt and other contaminants with it.

*Warranty terms, conditions and exclusions apply.

Interior Surface Protection

ACTIV Leather, Vinyl, Fabric & Carpet Surface Coating.

ACTIV Interior Coatings protect all fabric, carpet, vinyl and leather surfaces against spills and stains, as well as UV damage and discolouration. These coatings are designed to help maintain the condition of your vehicle and provide a durable barrier against whatever life throws at it.

A once-off application for a lifetime* of protection, designed to preserve and protect the interior of your new vehicle.

ACTIV Leather Coating

The lanolin formula offers deep down moisturising protection to soften and preserve the natural beauty of a leather interior.

- Protects against surface dehydration and discolouration caused by UV
- Provides an easy clean surface to remove stains and marks
- Preserves the new leather aroma
- Comes with a nationwide lifetime warranty*

ACTIV Fabric and Carpet Coating

Formulated with the bacterial protection system Bactishield, this coating will protect the surface against mould, mildew and other harmful bacteria.

- Provides a resilient and effective stain barrier against commonly consumed food and liquids
- Provides protection against surface discolouration caused by UV
- Comes with a nationwide lifetime warranty*

ACTIV Vinyl Coating

Purpose built for vinyl surfaces, this silicon-free formula provides a low-sheen, non-greasy, non-slick protective finish.

- Prevents surface dehydration and damage caused by UV
- UV stabilised against discolouration
- Comes with a nationwide lifetime warranty*

Darkest Legal Window Film

Maximum protection and stylish looks.

You and your passengers will be protected from damaging rays, blocking up to 99% of UV entering through the windows. It delivers maximum protection, outstanding glare reduction, exceptional heat rejection and of course ultimate privacy.

It's the darkest automotive window film and is guaranteed to perform for a lifetime*.

Our Darkest Legal Window Film starts working the minute it has been applied to your vehicle. This film offers maximum UV protection, and dramatically reduces heat and glare.

One of the other important benefits of window film is its ability to hold shattered glass together in the event of an accident.

This film has also been independently tested by ARPANSA: Australian Radiation Protection and Nuclear Safety Agency and has been certified to effectively protect against solar ultraviolet radiation.

Key Benefits

- Darkest legal window film.
- Blocks up to 99% of damaging UV.
- Rejects up to 60% of heat and glare.
- Strengthens glass, helping to hold together in the event of an accident.
- Adds a stylish look.
- Increases privacy for you and your passengers.
- Lifetime nationwide warranty*.
- Increased safety and security for occupants.
- Clear film is available for vehicles that are manufactured with privacy glass.

Truseal Tyre, Wheel & Glass Protection

This three part application provides resistance and protection to corrosion on alloys, a durable deep satin tyre finish and all season protection to front and rear windscreens.

Truseal Ceramic Alloy Wheel Protection

Made from high performance formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), Truseal wheel protection delivers extreme durability, permanently locks in factory finish and protects against UV damage and fading.

- Reduces reliance on harsh cleaning chemicals. In most cases soapy water is enough to completely clean the wheel
- Hydrophobic properties reduce the adhesion of contaminants such as brake pad residue, road grime and dust
- Prevents alloy wheel pitting caused by brake dust
- Applied by trained technicians

Truseal Tyre Protection

Using advanced polymer technology, Truseal tyre protection adds a durable deep satin finish, enables simple cleaning with soapy water, is silicon free and offers a flexible protective barrier against harmful UV rays.

Truseal Glass Protection

Increase visibility on your windscreen using advanced ceramic formulation, creating a highly durable protective layer between glass and the elements. With treated wiper blades, your windscreen will be protected from micro scratches and smearing.

- **Water Repellent** – water/rain bounces off the windscreen rather than run down glass
- **Greater Visibility** – dramatically improves visibility in all weather conditions
- **Bug and Grime Protection** – providing a non-stick surface allows for a much easier clean of insects and dirt
- **Frost Resistant** – ice, snow and frost are easily removed as it will not bond to glass
- **Smears** – caused by wiper blades are all but eliminated, as wipers glide noiselessly across the smooth coating

Driver Safety Kit

This compact kit is always ready to help when you most need it.

The perfect solution to help keep you and your passengers safe when you're on the road. The Driver Safety Kit contains items you may require to assist with any unforeseen events during your travels.

What's Included:

Car Power Bank & Charger

A portable device that can be used to jump start your vehicle and power electronic accessories

First Aid Kit

Made out of a series of compartments with each compartment clearly labelled for what to use each item for

Poncho

Cotton Gloves

Heavy Duty Bag

Electronic Road Flare Kit

Battery-powered, with 4 variable lighting sequences offering 360 degrees of visibility - day or night

Microfibre Cloth

Hi-Vis Vest

Fire Extinguisher

A dry chemical powder extinguisher offering easy storage and is ideal for the home, car, boat, caravan or workshop

With the Driver Safety Kit, you'll always be adventure-ready.

Safety Systems

Vehicle Drive Recorder

Helps provide evidence in the event of an accident.

An essential dash cam that helps prevent accidents and promotes safe driving. Front and rear cameras help avoid collisions. It records even while the car is parked - the device automatically records when motion or impact is detected. (Power Magic Pro included to enable Parking Mode)#

- Records both audio and visual footage.
- In any sudden accident, footage can be replayed immediately via the App.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*

Front & Rear Parking Sensors

Increase confidence with precision parking or tight driving situations.

Increase safety and minimise the risk of damage and injury while reversing and parking. These ultrasonic sensors monitor the distance from your vehicle to potential obstacles in your blind spot.

- Front sensors feature 5 zones, with an alert warning on the last zone. The sensors range from 1 metre down to 0.3 metres.
- Rear sensors feature 4 audio warning zones, that can detect hazards up to 1.6m behind the vehicle.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*

Reverse Camera

Replacement mirror with 4.2" LCD screen or standalone 3.5" monitor.

Feel the comfort of having 'eyes in the back of your head' with the reverse camera installed with either a 4.2" screen within a replacement mirror or a standalone 3.5" monitor.

- Automatically activates when a car is put into reverse.
- Menu buttons in-built into replacement mirror.
- Excellent picture in full sunlight, with full colour display.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

Shuroo Animal Deterrent

High frequency vehicle protection system.

An Australian designed system to help combat the problem of wildlife collision. Especially important when traveling through rural areas where animals (particularly kangaroos) are frequently and unpredictably bounding into fast-moving traffic.

- Works day and night, rain or shine with 24-7 protection.
- Helps protect drivers and passengers from injury, avoids downtime losses and costly insurance claims.
- Alerts wildlife of vehicle presence from up to 400 metres away.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

#Power Magic Pro included to enable Parking Mode. Some vehicles also require the Optional B-112 Battery Backup System to enhance the stand-by time in Parking Mode.

*Warranty terms, conditions and exclusions apply.

Navigation Systems

Integrated Satellite Navigation

Don't fear getting lost again.

This easy-to-use navigation offers so many features that you'll experience nothing but a more relaxed driving experience.

- Integrates into the factory screen - no need to remove or replace the genuine radio.
- Shows road safety cameras, proximity alert point and school zones.
- Features text to speech (TTS), lane information & signposts, motorway exit services, map manipulation, quick menu, tunnel view, trip monitor.
- 3D object view: terrain, landmarks & elevated roads and smart zoom.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

Note: Radio compatibility varies by vehicle, contact the team for confirmation.

6.2" Navigation System & 7" Navigation System

Superior quality with all the best features.

Pioneer AVIC Touch Screen Navigation & AV System gives you the ability to make calls, listen to music and access messages. Also supports hands-free calling. Available in 6.2" or 7" screen.

- Apple CarPlay, AppRadio Mode for iPhone & Android, USB Connectivity, MirrorLink.
- Multi-touch & hi-res display, with anti-glare screen for optimal visibility day and night.
- Offering pause/rewind live radio, scrolling text on screen with artist & song information, and superior sound quality.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

Reverse Camera & Navigation

Know exactly where you're headed.

This unit couples two helpful functions into one sleek replacement mirror.

- 4.3" rear view mirror monitor, with touch screen functionality, auto brightness, and adjustable reverse guidelines.
- Up to 170 degrees camera angles.
- GPS function includes 3D landmarks, avoid toll routing options, adventure mode and speed zone detection.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

*Warranty terms, conditions and exclusions apply.

In-Car Entertainment

10.1" Roofmount DVD Player

Road trips have never been more enjoyable.

Family time on the road just got better. This 10.1" DVD player is roofmounted for convenience and easy viewing for all passengers in the back seat. Your passengers can enjoy a quality picture, through HDMI and USB video, of their favourite DVD or movie device on any road trip.

Key Benefits

- 1.84 million pixel resolution for brilliant picture quality.
- Includes two pairs of fold-flat infrared wireless headphones and remote control.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

9" Headrest DVD Player

Keep the entertainment moving.

The first DVD headrest in Australia to comply with multiple safety crash tests, and is exclusive to AutoXtreme. Its design and manufacturing has been certified to meet ADR 22/00 & 3/03 and FMVSS 302 standards and is the only DVD headrest in the market with a protrusion-free design.

Key Benefits

- Unique design helps protect rear seat passengers from possible facial injury caused by the auxiliary device (for example: USB stick) plugged onto the unit during impact.
- Includes 2x wireless headphones with IC in-built noise filtering to prevent interference.
- Professionally installed by a trained technician.
- Comes with a 3 year nationwide warranty*.

Minor Damage Repair

Scratch & Dent Assist

Proud accessories partner to **sgfleet**

You're in good hands with **Scratch & Dent Assist**
